DEJAN MILOSEVIC

Chief Software Architect · AI Integrations Per Project

DEJAN MILOŠEVIĆ PR · Reg. 2006 dejanswat@gmail.com [LinkedIn](#) aicommandcenter.pro

Primary focus — AI integrations: I love building custom AI for each project — LLM routing, agents, RAG, BYOK, scoring, dashboards — shaped to your requirements, developed as the project evolves. Not templates. Not license desks.
